MESSAGE FROM THE FOUNDERS

Dear Supporters, Partners, and Friends,

I am extremely honored to present this annual report, reflecting upon a year of remarkable achievements and impactful change at 3 Angels Nepal. It is with immense gratitude and pride that I share the progress we have made together in our mission to combat human trafficking, empower vulnerable communities, and restore the lives of survivors.

Over the past year, we have witnessed remarkable transformations unfold, touching the lives of countless individuals. Our commitment to creating a safer, more just society has guided our every endeavor, and our accomplishments are a testament to the unwavering dedication of our team and the boundless support of our stakeholders.

None of our achievements would have been possible without the steadfast support of our global partners. We are humbled by the generosity and commitment of individuals, organizations, and governments who share our vision. Our partnerships have allowed us to amplify our impact, expand our reach, and bring about lasting change on a larger scale. Together, we are building a network of change-makers dedicated to eradicating human trafficking and fostering a world of equality and justice.

As we look ahead, our resolve remains unwavering. The challenges that lie ahead are significant, but so too is our determination to overcome them. We will continue to adapt, innovate, and collaborate to ensure that our efforts lead to sustainable, meaningful change.

As founders, Sarah and I extend our heartfelt gratitude to our dedicated team, our tireless supporters, and the resilient communities we serve. It is your collective spirit that fuels our mission and propels us forward.
